

proceeding, or order in any jurisdiction, arising out of, based on, or relating to the Released Claims. In addition, all such persons are hereby barred and enjoined from filing, commencing, or prosecuting a lawsuit against Defendant (or against any of the Released Parties) as a class action, a separate class, or group for purposes or pursuing a putative class action (including by seeking to amend a pending complaint to include class allegations or by seeking class certification in a pending action in any jurisdiction) on behalf of Settlement Class Members who do not timely exclude themselves from the Settlement Class, arising out of, based on, or relating to the Released Claims. Pursuant to 28 U.S.C. §§ 1651(a) and 2283, the Court finds that issuance of this preliminary injunction is necessary and appropriate in aid of the Court's continuing jurisdiction and authority over the Action.

17. Termination of Settlement. If the Court does not grant final approval to the Settlement, or for any reason the Parties fail to obtain Final Approval as contemplated in the Settlement, or the Settlement is terminated pursuant to its terms for any reason, or the Final Settlement Approval Date does not occur for any reason, then the Parties shall be restored to their respective pre-settlement positions in the Action, including with regard to any agreements concerning tolling and similar agreements, and this entire Settlement shall be null and void, shall have no further force and effect with respect to any Party in the Action, and shall not be offered in evidence or used in any litigation for any purpose, including the existence, certification, or maintenance of any purported class or Defendant's liability with respect to the claims that are, were or could have been asserted in the Action. In the event of such, this Settlement and all negotiations, proceedings, documents prepared, and statements made in connection with it shall be without prejudice to the Parties, and shall not be deemed or construed to be an admission or confession by any Party of any fact, matter, or proposition of law, and shall not be used in any

manner for any purpose, and all Parties to the Action shall stand in the same position as if this Settlement had not been negotiated, made, or filed with the Court.

18. In the event of termination, the terminating Party shall cause the Settlement Administrator to post information regarding the termination on the Settlement Website.

19. Alteration of Exhibits. Class Counsel and Defendant’s Counsel are hereby authorized to use all reasonable procedures to further the administration of the Settlement that are not materially inconsistent with this Order or the Settlement, including making, without further approval of the Court, minor changes to the form or content of the Notice Plan and other exhibits that they jointly agree are reasonable or necessary.

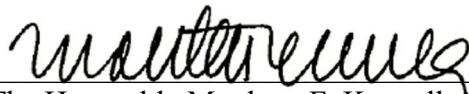

20. Retaining Jurisdiction. This Court shall maintain continuing jurisdiction over these settlement proceedings to ensure the effectuation thereof for the benefit of the Settlement Class, and for any other necessary purpose.

21. Settlement Deadlines. Based on the foregoing, the Court sets the schedule below for the Final Approval Hearing and the actions which must precede it. If any deadline set forth in this Order falls on a weekend or federal holiday, then such deadline shall extend to the next business day. These deadlines may be extended by order of the Court, for good cause shown, without further notice to the Settlement Class. Settlement Class Members must check the Settlement website regularly for updates and further details regarding this Settlement:
